Transport Department

No. F 7 (366) Pari/Rules/H.Q./HSRP/2011

Jaipur, Date

Real Mazon Rajasthan Pvt. Ltd.  
41/1, Shanti Complex, Barah ji ki Gali,  
Gangori Bazar, Choti Chopar,  
Jaipur

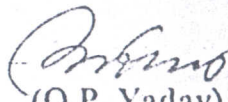

**Sub:- Implementation of HSRP Project.**

This bears reference to Transport Department<sup>15</sup> Notification dated: 09.05.2013 wherein it was ordered that motor vehicle dealers who are authorized as registering authorities shall issue authorization slip and shall verify & ensure that HSRP is affixed in their premises, on the vehicle to which the plates belongs. It was also ordered that these authorized registering authorities for the non-transport vehicles shall provide adequate space and appropriate facilities in their premises to the concessionaire.

In the light of the above mentioned notification, it is essential that more embossing stations would need to be setup in the premises of the dealers working as registering authority and affixation stations would need to be established at every such dealer. In order to streamline and smoothen the procedure and process for affixation of HSRP on motor vehicles without any delay, following directions are issued for immediate execution:-

1. If any dealer is willing and interested to provide space, infrastructure and other all relevant facilities at its showroom then it may be considered and be provided with embossing station individually.
2. The distance between the showroom and the authorized affixing showroom/center should not be very far away geographically. The proximity of such adjoining centers should be seen for making groupings.
3. If any dealer is having 2-3 agencies of various kinds of vehicles, then it should be considered for providing embossing station and affixation station to all of his agencies at one place.

As you have expressed your formal consent, willingness and preparedness to undertake the above points of the project, you are directed to implement this scheme immediately. A very quick response and compliance is expected in this respect.
